

Committee Descriptions

To join a committee please email

In the subject line indicate which committee (s) you would like to join. Also email us for any additional questions you may have about the committee and timelines and effort which might be required.

The busiest committees are convention, membership and secondary conference.

All committees meet via conference call and most committee work is completed by the spring months.

STANDING COMMITTEES

MBAF Standing Committees are this Associations “backbone” and are a key factor in the success of its initiatives and activities. They are the vehicles that facilitate and accomplish its annual goals and objectives and serve as the “building blocks” for future endeavors. Decisions made by the board of Directors are generally based on information and recommendations made by the Committees. Accordingly, committee members are considered to be the leaders of the MBA of tomorrow.
