

66th ANNUAL CONVENTION *and* 16th ANNUAL EASTERN SECONDARY MARKET CONFERENCE

COMING TOGETHER 2019

JUNE 18-20

Hyatt Regency Coconut Point Bonita Springs, Florida

Synergy

This past Spring, after several weeks of polling past attendees, sponsors and members with the idea to have our Eastern Secondary Market Conference and state Annual Convention held back to back, instead of two separate times of the year, the Executive Committee met and considered the comments of everyone, talked to many folks, then weighed the benefits or issues of making this move.

After very careful review and discussions, they listened to the overwhelming suggestion to bring both events *Back to Back*.

There are just so many positives, and they will all benefit you!
