MBA OF FLORIDA AT A GLANCE

Annual Convention: Meeting of the membership and others for networking, industry education, with an economic and national update, installation of officers, presentation of awards, including extra fun mixed in, all planned with committee work! **NOW BACK-TO-BACK WITH OUR**

Eastern Secondary Market Conference

& Exhibits: Strong focus on education related to the secondary market, networking, and our vendor showcase.

Education: Providing relevant webinars and communications. Partnership with The CE Shop for licensing and continuing education.

Legislative Advocacy: Ensures initiatives and concerns of the mortgage banking industry are addressed in the Florida Legislature and year-round with Eric Prutsman in Tallahassee.

MBA Washington: Strong partnership with MBA national association in DC.

CMB Society of Florida: The purpose of the CMB Society is to promote the designation, provide support to those seeking the designation, and provide a close social and business network for CMB's within the State.

Association Staff: Staff provides members with day-to-day professional management including a valuable resource of information relevant to the MBAF and important issues within the mortgage banking industry.

Social Media: facebook, Constant Contact, LinkedIn: Communications and updates on issues facing the mortgage banking industry. Quarterly newsletter keeps association members informed of MBAF activities, news of members, sponsor and member recognition and legislative issues.

Members Online: This is a member benefit for access to other professional industry members.

Membership Classifications: Financial Institution, Associate, Individual and our Local Chapters.
